Dear Lil & Harold,
Everything is just perfect. I called not to happen & the Q's & M's are real left, our real home and then wonderful honeymoon trip. This is beautiful water, while going down the Danube to Vienna. After the day at Salzburg, Wörthsee, Regensburg and the valley of the Nibelungen, ending the day in Passau, the ancient German city on the Austrian border.

The scenery is breath taking. But it is not with standing, I don't think I've ever before been completely happy and at peace. It seems almost unbelievable to be so realistic!

I hope the equipment is working out right & that you are both feeling better and that you'll be well and soon.

Love Doris

My best regards, Tom - Dick
